<p style="text-align: center;"><i>“A United National Voice for Children”</i></p> <p>Not all decisions affecting a child’s school happen at the local level, and the Mission of PTA is to address the educational and social needs of all children. For more than a century, PTA has been a driving force in national educational policies and programs. Today, PTA continues to champion the importance of parent/family involvement, safe and nurturing environments, and proper funding, curriculum, and leadership in our public schools.</p>	

Without support from parents and teachers, these events would not be possible. By completing the attached PTA Membership Form, we know that we can continue to make our programs successful. Please consider making a donation to offset a particular events cost. Together, we can give our children the tools for success. Even if you work and cannot attend the meetings, being a member allows you to stay informed about PTA happenings by being included on the PTA Email List.

Please make your checks payable to the Fremont PTA. (Remember that you need to renew your membership every school year.) For questions, please contact info@fremontpta.org.

Our meetings are held the first Thursday of August thru June 7:00pm at the Town Library, additional information can be found at www.FremontPTA.Org. Members are invited and encouraged to attend all meetings.

Thank you for your support.
